A GREAT BUSINESS OPPORTUNITY

THE BENEFITS OF EXHIBITING AT CUBA INTERNATIONAL RENEWABLE ENERGIES TRADE FAIR 2018

The trade fair boasts the infrastructure, partnerships and logistics to become the benchmark event for the industry:

- 1 Exhibition area:** keep up-to-date with the Cuban market, present your products to potential buyers and share knowledge with industry experts.
- 2 Activities and networking:** product launches, training, promotion of production partnerships, experience-sharing and contacts.
- 3 Cuba investment forum:** a meeting point with promoters presenting investment products based on the Portfolio of Opportunities in Cuba.
- 4 BUSINESS ROUNDS** through the Cuban Chamber of Commerce:

• **Attended by the most important buyers and representatives** in the energy industry in Cuba, with the organisation of a VIP agenda for buyers with import licenses:

- Unión Eléctrica, UNE
- Grupo Azucarero, AZCUBA
- Grupo Empresarial de la Electrónica, GELECT
- Grupo Empresarial Sidero Mecánica, GESIME
- Grupo Empresarial SERVITUR
- Ministry of Agriculture, MINAG
- Grupo Empresarial Industria Alimentaria, GEIA
